

Kids Driving You Crazy?

(or Just Want to Learn How to Get More Cooperation?)

FREE Weekly Parent Workshop

Come meet with a certified Cooperative Kids® parent educator to learn how to handle challenging behaviors in children from 18 months to 18 years of age. Sessions are open to the public and information shared is kept confidential.

There are no fees to attend but donations to the organizations providing the meeting rooms will be gladly accepted.

These workshops are for adults seeking help on matters with children such as understanding development stages, increasing cooperation, listening, backtalk, sibling rivalry, and discipline. For adults **ONLY** and childcare is **NOT** provided. All attendees are asked to bring a small snack to share with the group.

NOTE: This is **NOT** family therapy. Instructors at these sessions are certified in the Love, Limits & Lessons® parent education program and are prepared to offer parent education and guidance on general child behavior. Any individuals experiencing severe or extreme behavior

issues should consult a family therapist or counselor immediately for treatment.
